Moore Jr. Agriculture Award.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

With the boys district track meet yet to be held, it appears that Hamlin High School will be sending a larger number of students to regional this year.

Already we have two going in the literary events, three going in tennis and six individuals in six events in girls track. Joining these, hopefully, will be a good number of track boys.

Congratulations to all of these young people. If we are to leave AA competition this is the way to do it—with a good showing.

Gary Connally, 26-year-old son of Mr. and Mrs. Charles Connally, was recently elected mayor of Hico. According to The Hico News Review, Gary is believed to be the youngest mayor ever elected in Hico. An attorney in Hico, he was unopposed for the post.

A lot has been written since the death of Howard Hughes and one of the more interesting items that we have run across is a column by James McCrain in The Archer County News. It follows:

Tuesday, the world lost one of the most intriguing men of history. Howard Hughes died enroute to Houston from Mexico.

Books have been written, lawsuits entered into and people have gone to prison for writing about this man that was a legend in his own time.

Hughes lived as a recluse from the society in which he was an intricate part. Tales have abounded for years about his possible location as he tried to escape the prying eyes of curious people.

In a newspaper headline were the words, "Hughes worth two billion dollars." One common fate that rich and poor alike all must face is death and all the money in the world will not provide a way of escape.

I was just thinking about how much a billion dollars would amount to. It is almost inconceivable without some way of breaking this down in day to day terms. With the help of a calculator I came up with the following figures.

First of all, consider a million dollars put into a lending institution at six percent interest: spending the annual interest alone would amount to \$60,000 per year, \$5,000 per month, or \$1,538.85 per week. If you tried to spend all the million dollars in one year, it would have to be spent at the rate of \$2,739.73 per day or \$19,230.77 per week.

Now to visualize a billion dollars, think of spending \$2,739,726 per day for 365 days. If a person lived for 70 years and spent \$39,140 each day he lived, he would finally spend one billion dollars.

I'm so tired of figuring how to spend that billion dollars that my head hurts. The first week would be no problem in spending \$39,140 per day, but I can't figure for the life of me what I'd spend the rest on. Guess I'll just keep working for a

Easter Seal Fund Drive Set Today

The Annual Easter Seal Drive will be held here today (Thursday) with the canvass of the business district getting underway this morning and the door-to-door drive starting at 5:30 this evening.

All proceeds of the local drive will go to the West Texas Rehabilitation Center.

The drive will be conducted by members of both chapters of Beta Sigma Phi — Xi Gamma Pi and Beta Theta — and other volunteers.

Little League Seeks Workers For New Park

The Little League Association would like to urge all boys and fathers who will be participating in the summer baseball program to come to the Little League park and help with the work going on there.

A new park is in the process of being built and much more help is needed if little league is to start on schedule.

Anyone who is willing to assist may come the new area at City Park any afternoon, said Mrs. Harvey Lawlis.

Choirs to Present 'Alleluia' Sunday

Two combined choirs of First Baptist Church will present "Alleluia" Sunday at 7:30 p.m. in the church sanctuary, under the direction of Lynn Mink.

The Sound of Celebration and sanctuary choirs will present the service of praise reflecting Christ's birth, His life, His sacrifice on Calvary and His triumphant resurrection. The musical is by Bill and Gloria Gather.

The public is invited. Only one presentation will be given.

The annual meeting of the Hamlin Industrial Foundation will be Tuesday, April 20, in the City Hall Conference Room at 7:30 p.m.

Retail Trade Committee Buys New Decorations

New Christmas decorations will give Hamlin a new look during the Yule season this fall, according to Charles Alberthal, chairman of the Retail Trade Committee. The committee is part of the Hamlin Board of Community Development.

The committee met Friday and voted to purchase 18 decorative Christmas trees to replace the old decorations

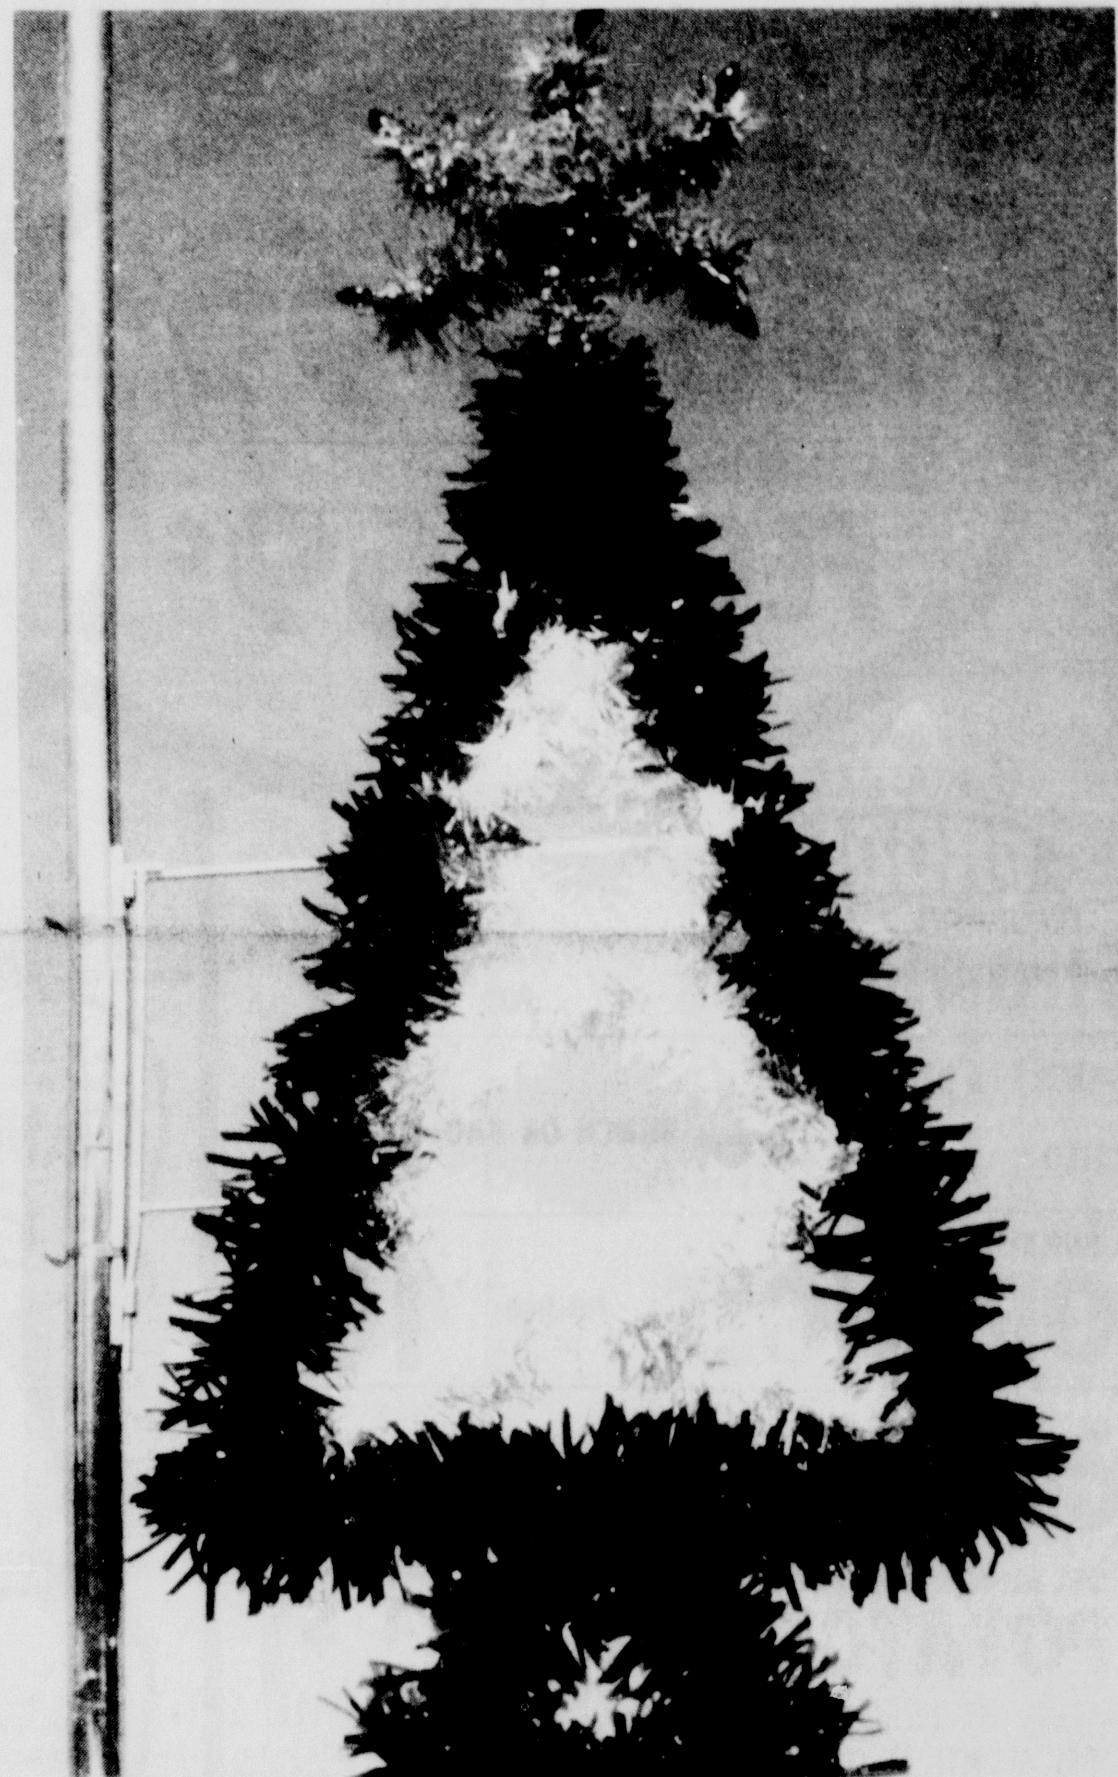

used for the past several years. The new decorations will cost \$1,822.50.

The committee will seek donations from both business and individual members of the BCD to finance the project. Donations may be made to Alberthal, Gary McMillan or Mrs. Peggy Bonds.

The committee also announced the date for the first

Sidewalk Sale and Flea Market for the new year. The big swap and shop day will be held Saturday, May 8.

The committee also voted to approve the sale of advertisements to defray the cost of a new city map. The maps are to include a city map, a county map and information on the Hamlin area.

NEW CHRISTMAS DECORATIONS—The Retail Trade Committee of the Hamlin Board of Community Development has ordered new Christmas decorations for the coming Yule season. The 18 lighted Christmas trees will replace the decorations that have been in use for several years. The committee is seeking donations from individuals and merchants to pay for the project. The 18 trees will cost \$1,822.50 with one-third of this needed now and the balance due this fall.

ON SEWER PLANT—

Abilene Firm Is Low

The Hamlin City Council opened bids Thursday afternoon on a Wastewater Treatment Plant with Decker Construction, Inc. of Abilene the low bidder. The bid was accepted by the council, subject to the approval of the

Federal Agencies in the construction.

The Abilene firm's bid was \$293,537.00. Ten bids were submitted on the project. Yeatts and Ecker, Inc., consulting engineers of

Abilene, had estimated the project to cost \$310,000.00.

It is expected that work will start within 30 to 40 days and is to be completed in 300 days.

Seventy-five percent of the project is to be funded by a federal grant and the balance to be paid for by bond money. Hamlin citizens approved a \$150,000 bond election in 1971 for the construction of the plant.

Pony League

Meets Tonight

A meeting to organize this year's Pony League program will be held today (Thursday) at 7:30 p.m. at the Jaycee building.

Persons interested are asked to attend this meeting, according to Calvin Laird, president of Pony League.

Meeting Tonight On Project Alert

All interested Citizen Band radio owners and Civil Defense personnel are invited to a meeting tonight (Thursday) on Project Alert. The meeting will be at the high school cafeteria at 7 p.m.

Jones County Sheriff Woodrow Simmons and Hamlin Police Chief Ed Wheat will explain the project and take applications for new memberships.

Little League Tryouts for Girls Set Here Tuesday

There will be a meeting and tryouts of the girls Little League at the elementary building Tuesday, April 20 at 5 p.m., according to Stella Payne, girls Little League president.

All girls must be accompanied by parent or guardian and all coaches must be present.

Drafting of the girls will be held after tryouts.

Garden Check List

Garden Check List for April by Kirby Clayton, Co. Ext. Agent

1. Mulch gardens to conserve moisture, reduce weed problems, improve soil, reduce compaction, lower soil temperature, and keep low growing flowers, fruits and vegetables clean.
2. Select and cut flowers for arranging in the evening for longer life.
3. Consider planting a perennial ground cover in those shaded areas where grass won't grow. Some of the better ones include Purple Honeysuckle, English Ivy, Asiatic Jasmine, Vinca Major, Mondo grass, Ajuga and Liriope.
4. Need a vine on a trellis or fence? Try the trumpet honeysuckle (Lonicera Sempervirens) for both the color and fragrance of its red trumpet shaped flowers.
5. Time to select good caladium tubers so you will be ready to plant when soil temperature reach 70 degrees. Space 12 to 18 inches apart.
6. Watch for aphids on tender growth. They may be yellow, red, green, brown or black depending on species. Malathion or Diazinon are excellent for controlling when used according to instructions on container.
7. Transplant of the following summer annuals can be set out now. For sunny areas consider lantana, periwinkle, petunia, copper plant, moss rose, marigold and Joseph's coat. Zinnias can be seeded direct at this time. For shaded areas use impatiens (sultanas), coleus, and caladiums. Fibrous rooted begonias and Joseph's coat do well in afternoon shade but flower best if they get morning sun.
8. Fertilize lawn areas if you haven't already done so.
9. Although grub worm damage may be evident in lawns and turf, control measures will do little good at this time. Best to wait until late July and early August.
10. Good time to plant Bermuda grass seed and to set out St. Augustine and Bermuda sod from mid-April on.
11. Prune spring flowering shrubs as soon as they finish blooming. Included are forsythia, spirea, gardenia, flowering quince, azaleas, climbing roses, and fleri-bunda roses. Thin out the older branches rather than cutting back the entire plant.
12. Be sure to pinch back mums, copper plants and coleus to encourage branching.
13. Allow foliage on spring flowering bulbs to die back naturally before cutting back. The leaves are needed to manufacture food and store it in the bulb for next year.
14. Use only balled-and-burlapped or container grown woody plants for transplanting into the landscape from now on through the summer.
15. Keep lawn mower sharp. A dull blade will tear rather than cut the tender grass blades.

Connected to the mainland by a new, four-lane causeway, the 35 mile long island offers accommodations ranging from highrise hotels to modern camping facilities. A center for commercial and sport fishing, the island is also home of some of the country's best restaurants, most of them featuring native seafood.

People from all over the country are finding it is not necessary to be born in the Lone Star State to be a Texan. Each year thousands of people are discovering the sunny Texas coast as a retreat from winter's icy blasts. By far the most popular gathering spot for these winter Texans is a tranquil resort area only 25 minutes from Mexico—South Padre Island.

In addition to the area's rugged scenic beauty, South Padre Island has a unique attraction unmatched by other winter resort areas—low rates. While other sunshine capitals such as Florida and Arizona are charging "in season" rates during the winter months, the lower cost of living in the Rio Grande Valley of Texas makes it possible for visitors to really stretch their vacation dollars. For some, this can mean an extended stay instead of only a few days, almost long enough to qualify for Texas citizenship.

Bridge Winners

First place winners Tuesday evening in the Hamlin Duplicate Bridge Club were Mrs. Dale Lain, and Ray Sonnenburg. Second place winners were Jo Smith and Bob Preston of Abilene, and Beverly McMillan and Helen Viridine of Abilene won third place.

Visitors in the home of Mrs. C. E. LaBaume Sunday and Monday were The Rev. and Mrs. J. K. Gressett of Glendale, Ariz., and her brother and his wife, Mr. and Mrs. Earl Jones of Sweetwater.

GIRL SCOUT NEWS

Troop No. 358 of the Girl Scouts went to Camp Booth Oaks Saturday morning. They camped out that night and returned home after lunch Sunday.

Those attending were Judy Crouch, Sharon Ford, Teresa Gregory, Lisa Hawes, Leona Johnston, Tammy May, Deana Pritchard, Susan Watts, Mrs. Joyce Watts and Mrs. Carolyn Ford.

At their regular Thursday meeting, the girls had planned their meals for the campout.

The girls enjoyed hot dogs and Frito bags for their noon meal Saturday, and had grilled steak, baked potatoes and toast for supper with Sad Sack cookies for dessert.

Sunday morning breakfast consisted of bacon, eggs and doughboys. For lunch they prepared stew, fried cornbread and solar tea.

All of the girls' meals were prepared over a campfire.

Saturday afternoon the troop hiked, learned new songs and slid down Tarzan's Bluff. That evening they visited another troop's camp and participated in group games. Following showers in the dining hall, the troop returned to camp and drank hot chocolate around the campfire.

Sunday, following breakfast, the troop gathered leaves and made stamp pad leaf prints.

Mrs. Brown Gives Program For Sorority

Mrs. Leone Brown spoke to the Thursday afternoon meeting of Xi Gamma Pi sorority and presented information on the American Association of Retired Persons. She quoted from the Dec. 2, 1972, meeting with President Nixon said, "any action that enhances the dignity of older Americans enhances the dignity of all Americans, for unless the American dream comes true for our older generation, it can not be complete for any generation."

The meeting was held in the home of Mrs. Gerald Young. Mrs. Jerry Waggoner introduced Mrs. Brown, the guest speaker.

Mrs. James Harrison, president, presided during the business session for election of officers. Mrs. Arlie Cassle gave the report of the nominating committee.

Elected were Mrs. Cecil Sellers, president; Mrs. Jack Willingham, vice president; Mrs. Tim Jones, secretary and reporter; Mrs. M. L. Smith, corresponding secretary; and Mrs. John C. Bryant, treasurer.

The next meeting will be Founder's Day May 7. Refreshments were served to the following: Mmes. L. C. Bonds, John C. Bryant, Cassle, Bill Feagan, Harrison, Johnson, Jones, Howard Mehaffey, Waggoner, Willingham, Sellers, Brown and Young.

Shelia Lee, Roy Spalding Plan Wedding

Mr. and Mrs. Doyle Lee of Stamford are announcing the engagement and approaching marriage of their daughter, Shelia Gaynell, to Roy Glen Spalding, son of Mr. and Mrs. R. G. Spalding of Hamlin.

A July wedding date will be set.

Miss Lee is a junior in Stamford High School. Her fiancé is attending Hamlin High School and is employed in soil conservation work.

Understanding Your Baby

FIRST GOOD FOODS

Baby's first food, milk, is 87 percent water. Apples contain 85 percent water. The fact is that the weight of most foods comes from water, naturally.

Some of the world's most knowledgeable nutritionists, experts at Heinz, urge consumers not to become concerned when they see water listed as the first, second, or third ingredient on the food label. Since water occurs naturally in so many of the major products' ingredients, it is very often the ingredient in the greatest amount and must be listed as such.

Some people are concerned because unused baby food sometimes gets watery. This condition is technically called "enzymatic liquefaction." Simply stated, human saliva contains an enzyme called ptyalin or salivary amylase. This active enzyme helps us to digest carbohydrates or sugars by breaking them down into smaller, simple sugars, acceptable by

the body tissue.

If you've fed baby directly from the jar, chances are you've transferred saliva (and the ptyalin enzyme) to the food jar. Thus, ptyalin begins to break down or thin carbohydrates in the leftover food, creating a watery consistency.

For this reason, it is recommended that you spoon out the desired amount of food from the jar, heat and serve. Cover and refrigerate the unused portion in the jar (but use within several days for maximum flavor).

These are ideas which experts on infant nutrition would say really hold water.

Lips do not tan, but they easily burn. So a lip care product containing a "sun screen," such as Blistik, should always be applied when lips are exposed to the sun for a prolonged time.

Acne, that teenage blight, is usually caused by hormone changes and not by diet, according to the U.S. Department of Health, Education and Welfare.

Mrs. Clifton Hosts Zeta Psi Salad Supper

Zeta Psi chapter of Delta Kappa Gamma Society met Tuesday evening in the home of Mrs. Leldon Clifton for the annual salad supper.

Thirty-five members were present.

Hamlin members served as hostesses and included Mmes. Clifton, Joe Norton, Charles Absher, Gene Prewit, Harvey Elkins and Frank Codrington.

A Bicentennial motif was carried out on tables and through the home.

Mrs. Norton gave the program, a Bicentennial quiz game.

Two members were honored with a "This is Your Life" award, Mrs. Ellen Turner, an assistant English teacher at H-SU and Miss Marguerite Griffin, retiring high school chemistry teacher at Abilene High, both of Abilene.

Mary Martha Class Meeting Held Monday

The Mary Martha Class of the First Baptist Church met Monday evening in the FBC fellowship hall for a salad supper and program.

Rev. and Mrs. Bud Adkins of Central Baptist Church brought the program.

Hostess was Ruby Faye Scifers. Others helping were Mrs. Ken Prewit and Mrs. Sam Mack Hodges.

Other members and guests attending were Messrs. and Mmes. Lynn Mink, Delton Jackson, and Mmes. Diane Bond, C. D. Bond, Joe Hymer, Bobby Kiser, Harvey Lawlis, Ronnie Lincoln, Roy Pritchard, George Werner and Mr. Ronald Carter.

TIPS ON LIPS

Lips must be kept moisturized and shielded to prevent drying by wind, sun or cold. The best skin moisturizers primarily contain waxes, which coat the lip skin and prevent moisture evaporation.

Lipstick users, to keep lips soft and smooth at all times, should use ointments or lip balms when not wearing lipstick.

the gospel truth

by Bro. Marshall Townsley

"...I will build my church, and the gates of hell shall not prevail against it." Matt. 16:18

God has always desired to be in the midst of his people for he inhabits their praises. He is not building with mortar and bricks, but rather with lives which are his own. "But ye are a chosen generation, a royal priesthood, a holy nation, a peculiar people (belonging unto only to God); that ye should show forth the praises of him who hath called you out of darkness into his marvelous light." I Peter 2:9

"Now therefore ye are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God; And are BUILT upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone, To whom coming, as unto a living stone, disallowed indeed of men, but chosen of God, and precious, In whom all the building fitly framed together groweth unto a holy temple in the Lord: In whom ye also are builded together for a habitation of God through the Spirit. Eph. 2:19-22, I Peter 2:4

God has abolished in the flesh of Jesus Christ all causes for division (enmity) that he might reconcile all things unto God in one body by the cross, having slain the

causes for division. Ephesians 2:15, 16

Yes, God will have his habitation and Jesus Christ will have a body not diseased and stricken by divisions and strivings. God is drawing his people into the unity of the Spirit. According to ancient prophecy God is delivering his flock from the hands of wicked shepherds and taking them to the truth. Thank God!

Christ so loved his church, and gave himself for it; That he might sanctify and cleanse it with the washing of water by the word, that he might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish. Eph. 5:25-27. Sin must no longer remain a part of His Church and maturity must come to the saints of God through His Word in the unity of love.

There are Christians, true Christians, who are putting aside religious traditions and doctrinal differences to become one with Christ and their brothers and sisters. I pray you may be accounted worthy to escape the tribulation that shall come to pass, and to stand before the Son of Man.

Prayer requests and comments are welcomed:

Hamlin High School Happenings
(Compiled each week by the HHS Journalism Class)

Classes in the Hamlin Independent School District will be dismissed at 2 p.m. today (Thursday) for the Easter Holidays and will resume next Tuesday at the regular time.

Ben Gonzales, Eddie Ribera, and Eddie Hill, members of the Hamlin High cotton judging team, placed second in district last Saturday in Lubbock.

The other two teams, which failed to place, included Vance Lakey, Mark Carter, and Shane Hinkle in livestock judging and Tracy Gregory, Ricky Goodgame and Guy Turner in dairy judging.

Debi Cary, Elaine Carlton and Kyle Jackson advanced to regional tennis competition by winning the girls doubles and boys singles matches respectively at the 6-AA district meet in Sweetwater April 6 and 7.

Freshman Stacy Bell also captured the junior division girls singles title to help Hamlin garner 30 points for second place in the team race behind Colorado City's 65.

The regional meet is set for Odessa April 23 and 24 for the girls and April 29 and 30 for the boys.

Hamlin's eighth grade girls track team amassed 144 points to finish second behind Coahoma at the junior high district track meet in Stamford last Friday.

First place winners included Donna Bell in the long jump with 14 feet and 1 inch, Geneva Shelton's 27.2 in the 220 yard dash, Leona Johnston in the 60 yard dash with 7.9 and Bell, Teresa McMillen, Veronica Chase and Shelton with a 53.2, 440 yard relay and a 1:56.1, 880 yard relay.

Hamlin's other points were earned as follows:

Triple jump—3rd, McMillen.

Discus—4th, Jamie Woods.

NEWS FROM

OLD GLORY

By BERNICE D. WHITE

U.I.L. activities are going on and Old Glory students are participating in a big way. In literary events for high school students held at Shyril held at Hardin-Simmons University in Abilene last Saturday, six students participated, three won the right to participate in Regional at Brownwood April 24. They are Manuel Barrera, winning second in persuasive poetry interpretation; and Pete Castro, third in poetry. Lind Harris also qualified for finals in prose reading at HSU. Others participating were Berry Alvis in poetry and Rosa Barrera in prose. Pete Castro and Manuel Barrera also entered the ready writing contests.

Old Glory Makes

Homecoming Plans

For Labor Day

Old Glory, the little town in West Texas with the patriotic name, is planning a big bicentennial homecoming for all ex-students and teachers of the Old Glory Rural High School District or any of its consolidated districts during the Labor Day weekend this year.

At present, a committee is hard at work trying to secure as many addresses of former students as possible. Anyone whose address has changed, or knowing someone whose address has changed, or who for any other reason may not have their address on file is asked to send this information to Mrs. Anita Baldrée, Rt. 1, Old Glory, Texas 79540 or to Bryant Grocery at Old Glory.

The committee is planning a dance at the Son's of Hermann Hall for Saturday night Sept. 4, beginning at 8 p.m. for all ex-students who wish to attend. On Sunday, Sept. 5, there will be a big barbecue and picnic luncheon. Tickets for the luncheon will be \$1.50. Advance tickets are not necessary this year.

According to George Rhoads, president of this year's committee, an effort will be made to notify as many ex-students, teachers, and patrons as possible, but there will not be some whose addresses will not reach them. These people are just as welcome as those who receive notices, according to Rhoads. The committee is interested in making this Old Glory bicentennial Homecoming the biggest one ever.

Mr. and Mrs. Garrett Spitzer and Mr. and Mrs. John Letz were in Abilene Sunday to attend Confirmation Services in the Lutheran Church for their grandson, Craig Letz, son of Mr. and Mrs. Dean Letz. The John Letzes also had a granddaughter in the Confirmation Services. She was Pam Letz, daughter of Mr. and Mrs. Larry Letz.

Mr. and Mrs. Bud Denman of Tyler were dinner guests in the home of Mrs. A. R. Sawyers on Sunday.

Mrs. T. W. Jennings of Matador was here one day last week visiting in the home of her son and family, Mr. and Mrs. Tim Jennings and children.

Visitors in the home of Mr. and Mrs. Morris Garner and Mrs. Willie Fletcher last week included Morris's sister, Mrs. Perry Denton and a friend from Abilene.

Cancer doesn't go away by itself, but many cases are curable if treated in time, the American Cancer Society says. The key to effective treatment and longer life is early detection. Any medical condition such as a sore or cough that persists beyond its normal healing time should be reported to a doctor.

ELECTION ORDER AND NOTICE
THE STATE OF TEXAS
COUNTY OF JONES
On this the 5 day of April, 1976, the Board of Trustees of

the Hamlin Independent School District convened in regular session, open to the public, with the following members present, to-wit: W. T. Johnson, President, Raymond Scifres, Lewis E. Madden, Jackie Williams, James Rodgers, Cecil Sellers and the following absent: Clyde Lewis, constituting a quorum and among other proceedings had by said Board of Trustees was the following:

WHEREAS, a tie vote existed in regular school trustee election between Sam Mack Hodges and Clyde Lewis said first Saturday being May 1, 1976, and on said date a trustee election will be held in said School District.

WHEREAS, it is necessary for this Board to pass an order establishing the procedure for filing for and conducting said trustee election;

THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE HAMLIN INDEPENDENT SCHOOL DISTRICT:

1. That an election be held in said School District on May 1, 1976, for the purpose of electing to the Board of Trustees of Said School District One Trustee.

2. That all requests by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and signed by the candidate and filed with the secretary of the Board of Trustees at the superintendent's office not later than 30 days prior to the date of said election.

All candidates shall file with said application the loyalty affidavit required by Art. 6.02 of the Election Code.

The Secretary of this Board of Trustees shall post on the bulletin board in the building where the Board of Trustees meets the names of all candidates that have filed their applications in accordance with the terms and provisions of this Order, and said Secretary shall otherwise comply with the terms and provisions of Art. 13.32 of the Election Code.

3. That said election shall be held at the following places, and the following named persons are hereby appointed officers for said election:

(a) In election precincts numbered 1 at Hamlin High School Building, in Hamlin, Texas, in said School District, with Mrs. Joyce Scott as Presiding Judge and Mrs. Louise Pena, clerk.

The polls at the above designated polling places shall on election day be open from 8:00 o'clock a.m. to 7:00 o'clock p.m.

4. Mrs. Jane Murphree is hereby appointed Clerk for absentee voting. The absentee voting for the above designated election shall be held at Hamlin School Administration Building, 245 S. W. 2nd. St., Hamlin, Texas within the boundaries of the above named School District and said place of absentee voting shall remain open for at least eight hours on each day for absentee voting which is not a Saturday, a Sunday, or an official State holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open between the hours of 8:00 A.M. and 4:30 P.M. on each day for said absentee voting. The above described place for absentee voting is also the absentee Clerk's mailing address to which ballot applications and ballots voted by mail shall be sent.

5. Absentee voting, both by personal appearance and by mail, shall be by paper ballots and shall be canvassed by a special canvassing board, and Mrs. Joyce Scott, as Presiding Judge, Mrs. Louise Pena as Clerk, are hereby appointed the Special Canvassing Board for said election.

6. The manner of holding said election shall be governed, as nearly as may be, by the Election Code of this state, and this Board of Trustees will furnish all necessary ballots and other election supplies requisite to said election.

7. Immediately after the

Expectant mothers who smoke limit the flow of oxygen to their unborn babies, hindering their growth, the American Cancer Society says. For everyone, it increases the risk of getting lung cancer as well as raising blood pressure, blocking the lungs' filtering capacity and increasing the level of artery-clogging fatty acids.

votes have been counted, the officers holding said election shall make and deliver the returns of said election and perform all other duties as provided by the Election Code.

8. The Board of Trustees shall give notice of said election, and this combined Election Order and Notice shall serve as Notice for said election. The president of the Board of Trustees is hereby authorized and instructed to post or cause to have posted said combined Election Order and Notice at three public places where notices are customarily posted in this school district, and said posting shall be made at least 20 days before the date of said election.

The President shall also cause a copy of this combined Election Order and Notice to be published one time in a newspaper of general circulation in the county where this school district is located. Said publication shall be not more than 30 days nor less than 10 days before the date of said election.

It is further found and determined that in accordance with an order of the Board of Trustees, the Secretary posted written notice of the date, place, and subject of this meeting on the bulletin board located in the central administrative office of this school district, a place convenient and readily accessible to the general public, and said notice, having been so posted, remained posted for at least 72 hours preceding the scheduled time of said meeting.

It is further found and determined that in accordance with an order of the Board of Trustees, the Secretary furnished a notice of the date, place and subject of this meeting to the county clerk of Jones County, Texas, the county in which most, if not all, of this school district's pupils reside.

The above order being read, it was moved and seconded that the same do pass. Thereupon, the question being called for, the following members of the Board voted AYE: W. T. Johnson, Raymond Scifres, Lewis E. Madden, Jackie Williams, James Rodgers, Cecil Sellers; and the following voted NO:

Neinda Philosopher Believes He Has Way To Save Millions In Campaign Expenditures

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One discusses the Presidential Primaries again this week.

Dear editor:

I have been thinking some more about the Presidential Primaries. For example, one candidate has raised about seven million dollars for his campaign and is running low on funds now; another raised five million and is about out of money; another raised three million and is now \$100,000 in debt; and some others who raised a measly million or so have now closed up and gone home.

Understand, all that money is just to try for the nomination. After that comes the election, requiring many millions more.

Now despite all this outlay, all this flying around the country shaking hands, all the advertising costs on TV and in the newspapers, only a small percentage of the people are voting in the primaries. If 25 per cent vote, that's considered a good turnout. Sometimes the percentage is only 20, sometimes less.

And this is true also in other elections; in city elections, state elections, etc. Why, you can beat nearly any school bond election if you can get as many as 30 per cent of the people to vote.

I've been thinking about this. If 20 per cent of the people can decide who's going to be the nominee of their party, why not narrow it down even more? Why should the candidates spend millions of dollars on such a small

minority, when Dr. Gallup can take \$25,000, poll 1500 people, and tell you who's going to win?

Now who these 1500 people are nobody knows. Nobody has ever talked to anybody who has ever been polled by Dr. Gallup, and I think I know the reason why. Judging by some of the people they said was going to win and who did, you can see why they wouldn't want their names associated with it.

This is off the subject, but have you noticed that there never has been a news flash on TV, whether it's about a tornado warning, an earthquake, or an election results, important enough to show up during a commercial?

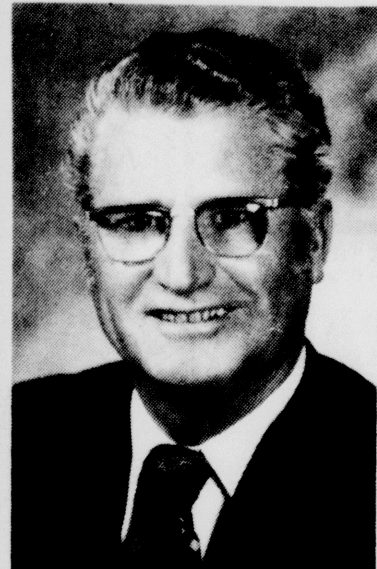

Yours faithfully,
J.A.

Reddy's Helpful Tips

- ★ Return fresh foods to the refrigerator and frozen foods, such as ice cream, to the freezer as soon as possible. Measure and remove the quantity needed for cooking or for the table, and refrigerate the remainder at once.
- ★ Use cold controls efficiently by selecting the settings that provide about 36° F. in the refrigerator and 0° F. in the freezer.
- ★ Fill the refrigerator with food, but be careful not to overfill. Make sure that food packages don't block air vents in the freezer or refrigerator section.
- ★ Clean the condenser surfaces of the refrigerator; dirt restricts air flow and acts to insulate the condenser, forcing the refrigerator to work harder and longer to maintain proper temperatures.

Plans Being Made to Conduct Needs Survey

Representatives from local clubs, businesses, and school personnel met Monday afternoon, at the Administration Building to discuss the needs of various groups and individuals in our community.

Mrs. Warren Sharp, Coordinator of Community Education, led the discussion and presented a sample comprehensive survey that could be used to identify such needs. The group accepted the proposal and pledged to

conduct a door-to-door survey through adult volunteers, beginning the last week in April.

Representatives present completed a Community Resource Profile listing their goals and objectives, the people they serve, the services they perform, the number of people they serve, and their methods used in reaching their goals.

Those attending also discussed how community problems might be solved through cooperative effort.

Boy Scout News

Twenty-six boy scouts and three leaders camped out the past weekend on the Martin Ranch northwest of Hamlin to sharpen their camping, hiking, cooking and environmental skills.

Scoutmaster Sammy Ferguson and assistants Steve Carriker and Jerry Gooch led the group through a full schedule of patrol competition including fire building, a compass course with trail signs, first aid stretcher transportation, knot tying, camp inspection and cooking a peach cobbler, frying bacon and eggs in a paper sack and boiling an egg in a paper cup.

Of the four patrols competing, the Pedro Patrol of Russell Cary, David Hertel, Kevin Benningfield, Johnny Cook, Bobby Wall and David Robbins earned the most points, 755 out of the possible 800.

Steve Campbell, Richard Williams, Billy Bond, John Bill Maddox, Steve Austin, Dwain Miller and Steve Reynolds of the Bear Patrol tallied 505.

The Hawk Patrol consisting of Gordon Roberts, Carl Wade, Mickey Williams,

Mitch Lawlis, Billy Hudgins and Mitch Hymer collected 491 points, while Britt Cary, Tim Hawkins, Neal Baker, Don Pearce, Mike Harper and Robbey Pritchard of the Panther Patrol picked up 423.

The group left at 4:30 Friday afternoon, competed all morning and part of the afternoon Saturday and hiked to an explored cave formation that afternoon and evening before returning to the Hamlin Boy Scout Hut at 11:30 Sunday morning.

In addition, Margaret and Jerry Smith took 14 cub scouts to the campsite Saturday afternoon for relay races, wiener and marshmallow roasts and a hike as their last activity of the school year.

Davis Weaver, a prospective assistant scoutmaster, also helped with the organization and running of events Saturday.

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

To date we have had an inch of rain in McCaulley. Gardeners and farmers will be busy for a spell getting the weeds out and seeds in the ground.

Mrs. Willard is recuperating in Stamford Hospital after undergoing surgery last week.

Mr. and Mrs. W. J. Kemp of Hamlin visited Mr. and Mrs. Charles Ferguson Sunday afternoon.

Little Stephen Teague spent some time visiting grandparents Mr. and Mrs. Harvey Dowell last week. Stephen is the son of Mr. and Mrs. Keith Teague of Anson.

Mr. and Mrs. Billy Wayne Jeffrey, Fonda and Todd and Cherie McKinney spent the weekend on Lake Stamford, relaxing, skiing and fishing. We would like to extend our sympathy to the Jim Dixon family. Memorial for Mrs. Dixon's father, J. P. Moss of

Floydada was held Monday. We really don't know how precious parents are until they are gone.

McCaulley Schools will dismiss for Easter Holidays Wednesday, April 14. Classes will resume Wednesday, April 21. With UIL events in the past for this year, emphasis will be on winding up this year's work in the next six weeks.

Mr. and Mrs. Robert McDonald attended the wedding of their son in Houston this weekend.

Guy Kemp of Roby visited in the home of Mr. and Mrs. Fred Kemp Sunday afternoon.

We missed our pastor of the McCaulley Baptist Church, Rev. George Caffey, and his wife Sunday. Rev. Caffey had laryngitis and was unable to speak. Rev. T. O. Upshaw, District Superintendent of Stamford spoke, for both services.

Sign of the times.

The speed limit sign. It says 55 miles an hour. And it says it for some very good reasons.

Like saving millions of gallons of gasoline and thousands of lives on the highways each year.

But you know these reasons already. Everybody from the oil companies to the insurance companies have been talking about them for better than two years now.

And some of you have been listening. Because some of you have slowed down.

But there are still an awful lot of people who seem to think the 55 mph speed limit is something they can take or leave.

It isn't. It's a law. With tickets and fines and the rest. Just like any other law.

And just like other laws, it can do a lot of positive things. But it's enforcement that gives a law a chance to work.

The 55 mph speed limit is a sign of the times. And for the times. And it's something we've got to start paying attention to. Not just because it's a good idea. But because it's the law.

It's not just a good idea. It's the law.

SIX TO REGIONAL—
Girls Take Second At District Track Meet

The Hamlin Girls' Track Team took second place in the District 6-AA meet held in Stamford Friday and qualified six individuals in six events for Regional.

The regional meet will be held in Odessa April 23 and 24.

Qualifying for regional were Elizabeth Hooper, Barbara Hooper, Doris White, May Ruth Brown, Cheryl Baker and Stacy Bell. The first and second places in district qualify for regional. The girls qualified in the 440-yard relay, the 880-yard relay, the 220-yard dash, the 60-yard dash, the 80-yard hurdles and the triple jump.

Tennis Team Takes Second In District

Debi Cary and Elaine Carlton won the girls doubles and Kyle Jackson took the boys singles in the District 6-AA tennis competition. In the junior division, Stacy Bell took first in the girls singles.

Debi and Elaine will compete in the regional meet to be held in Odessa April 23-24 and Kyle will play in the regional meet at Odessa April 30 and May 1.

Colorado City won the district title with 65 points while Hamlin finished second with 30 points.

The local girls doubles team defeated Sharon Coldewey and Beverly Fuller of Colorado City 7-5, 6-1 in the finals.

Kyle defeated Tony Love of Colorado City in the finals, 6-0, 6-0.

Pipers Win Ballinger Track Meet Saturday

The Pipers won the AA-AAA Division of the annual Bearcat Relays in Ballinger Saturday in the pole vault pit. Lake View led by six points after the mile relay and Hamlin needed at least seven points in the pole vault to capture the meet.

Gerald Rdgers picked up one point for sixth place and then Robert Phariss went on to win the event to give the Pipers a five-point victory. Hamlin scored 109 points while Lake View finished second with 105. Stamford placed third with 63 and one-third and then it was Colorado City with 52, Clyde with 49, Sweetwater with 43, Coahoma with 26, Ballinger with 18½, Winters with 12 and one-third, and Anson with 9.

The Pipers took first in the 440-yard relay, the 220-yard dash, the high jump, and the pole vault.

Hardin-Simmons To Offer College English Course

Hardin-Simmons University will offer English 101 (first semester freshman English) at Hamlin High School this summer. The course will transfer to any college that students may attend other than Hardin-Simmons.

Registration and first class period will be at the high school at 6:00 p.m. on Monday, May 31. The class will meet each Monday and Thursday evening from 6:00-9:45 p.m. with a break in the class period.

There will be 10 class periods in the first session which will end on July 5. A second session will begin July 8 and end August 12 if enough students want the course.

Fifteen students are needed in order to have the course, which will be taught by Dr. George VanDevender. Dr. VanDevender has had experience in teaching this course on campus and in teaching similar extension courses.

Tuition for the course will be \$141, plus \$10 admission fee. Books will be available for purchase at time of registration. Tuition may either be paid at time of registration, or it may be paid in four installments. A small interest fee is charged for the installment plan.

Interested parties should notify Mrs. Warren Sharp, Coordinator of Community Education, before time of registration so that enough books will be available for each student by class time.

RAINFALL

Rainfall here Sunday and Monday totalled .87, as recorded by Bill Rountree, gauger for Hamlin. Readings taken at 5 p.m. for the previous 24-hour period were April 12, .34; April 13, .53.

Other recordings for the month were .07 April 3; .08 April 7, and .01 April 8, to bring the total for the month to 1.03.
